

ABOUT THE INSTITUTE

The Government Polytechnic, Nagpur, is one of the oldest polytechnic institutions in Maharashtra/India established in July, 1914. Presently the institution is functioning with an annual intake of 860 (first shift 680 and second shift 180). The premises of this premier institute is spread over 22 acres of land with good infrastructure and state of art laboratories, Computer center, conference hall, Audio-Visual Room, Community Hall, Gymnasium, sports & games facilities, etc. Separate hostels to accommodate 180 boys, 54 girls and 20 trainees are also available in the campus. Govt of Maharashtra awarded academic autonomy to this institute in the year 1995. This institute received ISTE Monjee award for overall best performance in the year 1996 and best polytechnic award from the Government of Maharashtra in the year 1997. The institute is marching towards center of Excellence, which means performing high, offering academic service of excellent quality to both regular students as well as working personnel from industry.

VISION

To become a Centre of Excellence, providing quality technical education and training

MISSION

The mission of Government Polytechnic, Nagpur is-

- To frame institutional policies for effective implementation of teaching learning process
- To inculcate values and ethics for life-long learning through curricular, co-curricular and extra-curricular activities
- To develop facilities and services for academic excellence
 - To enhance the skills of faculties and staff through industry institute collaboration.

OBJECTIVES

National Board of accreditation (NBA) focusing on the adoption of outcome based education (OBE) approach for all engineering program in India from 2013. Accreditation is required for quality assurance, recognition by stake holders, branding, and recognition of graduates globally and for international mobility of graduates.

The main objective of this program is to get acquainted with the various methods of attainment of program outcome methodologies.

COURSE CONTENTS

1. Role of National Board of Accreditation (NBA) in Technical Education
2. Outcome Based Education (OBE) Philosophy
3. Program Outcomes and significance of POs like Environment and Sustainability, Ethics, and life-long Learning
4. Importance of Bloom's Taxonomy in assessment process
5. Importance and Formation of Rubrics
6. Attainment of POs through Guest Lecture and Industrial Visit
7. Attainment of Course Outcomes and Program Outcomes
